This week, **August 17-21**, as part of the festivities leading up to this year's [Eat Drink SF](#) event at Fort Mason (August 20-23), Bay Area burger chain [Super Duper](#) will [team up with local high profile chefs](#) to offer a different specially-designed burger each day at the Kearny Street outpost.

The chef's burger will be available throughout the day at Kearny Street, with a portion of proceeds going to charity.

However, during the power hour of 2pm to 3pm each day, the guest chef will actually be there; during that hour, 100 percent of the sales will go to the chef's charity of choice.
